Giving Tuesday! Щедрий Вівторок!

Can we talk about this over a coffee?

St. Vladimir Institute has been at the heart of our Ukrainian Canadian community for more than half a century.

As a student residence, a hub for lectures and academic discourse, a source of cultural workshops and language classes, a venue for social

and family events, or the place to meet your new best friend, SVI is an enduring testament to the bold vision of its founders and early supporters. These leaders saw not only the need at hand, but also the future needs of a developing community.

Please join us tomorrow, December 3, on Giving Tuesday, as we say thank you to our founders by financially supporting the Institute.

Consider donating the cost of one or two cups of coffee per week or, if you can, the price of a few pounds of Black Ivory or Kopie Luwak beans.

Your visionary donation can do any number of positive things:

- improve and expand our cultural and educational programming
- improve our facilities for student residents
- enhance our library resources
- increase available funds for student scholarships
- provide long-term financial stability for our operations
- create a base for our redevelopment plans

Donations can be made online through CanadaHelps.org by clicking [here](#).

Additional donation options can be viewed on our website by clicking [here](#).

Thank you.
